Dear Jim,

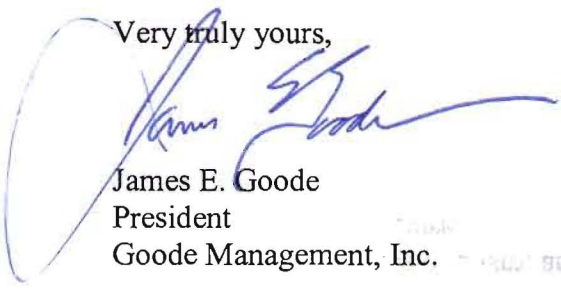

I just wanted to drop you a note and personally thank you for the outstanding job you and your crew did replacing the roof on my strip mall in Westwood.

I think it is a rare thing these days to come across a company that who takes pride in its work, values its professionalism, and lives up its word the way John Henry Roofing did with me. It was a pleasure.

With all the problems with the weather, the unforeseen issues with the pre-existing roof, and the additional unanticipated work you had to do, not once did anyone on your crew complain or even suggest it was going to cost more than you originally told us. You stayed true to your estimate, the quality was first rate, it was done when you said it would be, and there were no surprises. It just doesn't get any better than that. Please feel free to use me as a reference any time.

Thank you again and best wishes for a healthy and prosperous year.

Very truly yours,

James E. Goode
