Mr. Jim Madden
John Henry Roofing, Inc.
62 Hichborn Street
Brighton, MA 02135

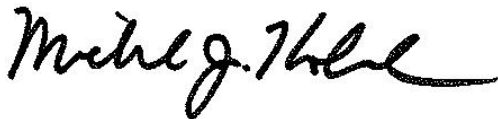

Jim,

I just wanted to thank you for your long commitment to Ken's Foods, Inc. John Henry Roofing has been a trusted partner in constructing and maintaining sound roofing systems at our corporate headquarters here in Marlborough, MA for over a decade. Your services have allowed us to grow to a major supplier in the retail and institutional food industry, and kept our facility clean, dry, and a safe place to manufacture our nationally recognized food products. When a deficient condition is identified, your personnel are professional, and work towards the best solution possible as the situation dictates. This quick response has played a part in Ken's Foods attaining the highest level of food safety certification in domestic and international food safety.

Your high value on customer service was especially put to the test during the historic winter we went through in Massachusetts in 2011. When we asked for your help in removing a concerning accumulation of snow on a building, you immediately responded with enough manpower to make quick work of the labor intensive job, coordinating your efforts with machinery operators on-site.

I look forward to continuing our partnership into the future.

Sincerely,

Michael J. Kolakowski, CPE
Engineering Manager
